BUT ARE WE REALLY HELPING?
MAYBE NOT!

LOW EFFICIENCY PROCESS

01. **DONORS**
-Lack of transparency & Corruption
-Can't find someone to help directly
-Can't create their own projects

02. **VOLUNTEERS**
-Lack of financing
-No information about their activities
-Difficulties in finding projects to participate
-Can't launch or found their project

03 **CORPORATES**
-Difficulties in organizing social projects
-Don't trust intermediaries
-Don't have instruments to confirm their social responsibility

04 **VOLUNTEER ORGANIZATIONS**
-Impossible to find volunteers quickly
-High organizational costs
-High staff turnover

solution

THERE ARE SOLUTIONS

BUT IT'S DIFFICULT TO IMPLEMENT THEM

- Poor & Unemployed - They need new earning tools
- Volunteers - They need opportunity to easy fundraising
- Organizations - Ability to find volunteers quickly

- Corporates - Instrument for launching new projects
- Donor & Philanthropist - Transparent and convenient instrument for donations

SOULEVO ECOSYSTEM

- Streaming platform Aura
- Help to Earn
- Deflative token SoEvT
- wNFT Aura (as SBT)
- **wrapped NFT Soul**
- NFT Artefacts (gameification)
- SBT -based Metaverse
- Value-based DAO
- SoulEvo private Club

COMPANY VISION AND MISSION

SouLEvo is the real solution

It will allow:
- People without key competence to make a living
- For volunteers to bring more funds to their activities
- To find volunteers easily and quickly
- A transparent tool for donations
- Create your own ecological and social projects
- To improve the planet and people's lives
